ANNUAL REPORT 2011

This is a business report of the Foundation smiles FOR MOLDOVA. (SfM).

It's goal is to raise money for the establishment of a dental /prosthetic/laboratory clinic, renovation of a surgical department and the implementation of the prosthetic care in the Centre for Maxillofacial prosthetics in the oncology hospital in Chisinau.

The renovation and equipment of the clinic for the MFP dispensary and laboratory as well as the renovation of the department of the corresponding peri-operative care in the head-neck oncology section of the Oncology hospital (PMSI) in Chisinau was accomplished in 2010 . All sponsors received the report. A financial auditor's report 2008-2010 was completed by the registered accountant. This report is available upon request. (rpvanoort@gmail.com)

In 2011 the Oncology hospital (PMSI) signed an agreement with the National Health insurance scheme in the Republic of Moldova for the treatment of 24 oncology patients for prosthetic rehabilitation. This can be regarded as a good start of the business operation of the Centre for MFP within health care in Moldova.

The aim of the Foundation SfM for 2011 was to support the patients treatment through workshops in the oncology hospital, and the completion of the equipment, materials and the provision of supplies.

The first workshop was organized from 27 March to 2 April in cooperation with the clinical teachers Drs A. H Strabbing and Dr R. P. van Oort. Together with the Moldovan prosthodontist Dra. Valentina Luca and the dental technician Ivan Vilcu and Dr. Rodica Mindruta (surgeon and project leader) 12 patients have been treated.

During this visit the establishment of the laboratory with instruments and materials was accomplished by both the Foundation SfM, and by generous donations by CBT Enschede, Dental practice A. T. Meijs Delden, the Laboratory G. Van Dijk. in Groningen and the UMCG Groningen.

The second workshop was organized from 10 to 16 October in the oncology Hospital in Chisinau by Drs A. H Strabbing and Dr R. P. van Oort. During the workshop 9 patients were treated. Also during this visit special prosthetic supplies were donated.

Total number of patients treated 2010 and 2011: 49

Subdivided into: ocular- 20; auricular-1;-maxillary-8; nasal-2; -facial-2; -combined-2; -orbital-5; consulted, so far not finished-7. The treatment goals thus, set in 2010, were met. Throughout the year case presentations were discussed by email on the initiative of the coordinator Drs Rodica Mindruta (PMSI-Chisinau).

Drs A. H Strabbing has been appointed as member of the Board of the Foundation.

Board members SfM: Dr. R. P. van Oort, president/secretary ;Dr H Reintsema, Treasurer; Dr. A.H. Strabbing, Member.
