Year report 2014

In front of the reader is the year report 2014 of the foundation SMILES FOR MOLDOVA. (SfM). The financial report is available on request.

The foundation "Smiles for Moldova" has one of the goals to collect financial means for the implementation and support of the care in the Oromaxillofacial Prosthetic Service in the Oncological Institute from Chisinau after the construction and official opening in 2010.

The Oromaxillofacial Prosthetic Service of the Head and Neck Surgery Department of the Oncological Institute continue in the patient treatment and rehabilitation.

Unfortunately, the National Insurance Company was restricted by law to financially support the trauma patients for their treatment. The oncological patients still remain cover by the National Insurance Company.

Renewed efforts by Dr. Rodica Mindruta are taking place to include these trauma patients for financially covering their treatment by the National Insurance Company, as a disabled people.

In July 2014, Dr. Rodica Mindruta had a 5 weeks fellowship and presentation about "Prevention and cancer control status in the Republic of Moldova" at the National Cancer Institute, USA. She was wearing "national" style. Foto 1.

# Republic of Moldova

In Oktober 2014, Dr. Rodica Mindruta was appointed by the National Accreditation Commission as Associate professor.

In December The Oromaxillofacial Prosthetic Service of the Head and Neck Surgery Department had a process of evaluation and accreditation in the Oncological Institute. The Oromaxillofacial Service will receive a licence for medical activities for the next 5 years in the Oncological Institute.

With proud, the OMF Prosthetic Service was mentioned, as a very good one. Every document and legal notice was correct filled in. More than this, every person of our service was excellent prepared for accreditation.

Dr. Rodica Mindruta: "We are young service, but our staff were attentive to this process and finally we had a very nice result. We can congratulate each other and specially the Foundation of "Smiles for Moldova" for the professionalism and permanent effort and helping us for promoting this specialty.
